*The **2018 Moon Lake Ladies Classic** charity is **Pancreatic Cancer Canada**. People are shocked to learn that it claims nearly as many lives each year as breast and prostate cancer yet remains under-funded, misunderstood and under recognized. A landmark report from the non-profit institute, Charity Intelligence Canada, cited pancreatic cancer as the most seriously underfunded cancer, receiving less than 2% of research and charitable funding.*

Seventy-five percent (75%) of all patients diagnosed with pancreatic cancer die within the first year, most within the first three to six months.

The survival rate has remained unchanged for decades - in the single digits (7%).

If interested in participating in this tournament and joining the fight against Pancreatic Cancer by raising awareness and research dollars please fill out the entry form on the preceding page and return by mail, fax or email. **If you would like to sponsor or donate in addition to your participation entry please contact Bobbi Brandon at bobbib@moonlakegolf.com or 306.382.7787 ext 23.**
