In order to keep our league successful and enjoyable for all participants we require a commitment from all teams. Please note that the league runs every week, if you cannot make every week we suggest having a third person that can sub for your team when needed. **If you cannot make a week and can't find a sub please inform the Pro Shop by Sunday at Noon so we have time to fill your match.** It's not fun for a group to show up and find out they have no match. **There is zero tolerance for a no-show and will result in your termination from the league. League Fees are non-refundable.** If your team does not have a representative present 4 times throughout the season this will also result in termination from the league. These expectations are in place to protect the entire league from not having a match, or playing as a two-some.
