This beautiful 27-Hole Scottish Links style championship golf course will be a day you won't soon forget. Start out your day with a relaxing 15-minute drive southwest of Saskatoon on the scenic Valley Road. Three different combinations of 18 holes will challenge all aspects of your game. Each combination has a par of 72 with slope ratings of 125 to 136 for men and 118 for women. Moon Lake presently holds one of the highest slope ratings in Saskatchewan.

The course was built in 1989 and opened its first nine in June 1990. Moon Lake is a links, dunes style golf course reminiscent of the old Scottish design. The course follows the traditional Scottish links design with water hazards, heavily mounded fairways and long native grass roughs.

Total golf experience is what you'll find at Moon Lake Golf and Country Club, with its beauty and magnificent playing conditions on 27 of Saskatchewan's most memorable holes. An experience that will keep you coming back again and again.

Come share the experience...
