The Moon Lake Golf and Country Club is one of Saskatchewan's favourite courses. A perfect day of golf is only a 10 minute drive away from Saskatoon.

This beautiful 27-hole Links-style championship golf course allows you to create 3 different combinations of 18 holes, each with a par of 72.

The course was built in 1989 and opened its first nine in June 1990. Moon Lake is a links, dunes style golf course reminiscent of the old Scottish design. The course follows the traditional Scottish links design with water hazards, heavily mounded fairways and long native grass roughs.

Total golf experience is what you'll find at Moon Lake Golf and Country Club, with its beauty and magnificent playing conditions on 27 of Saskatchewan's most memorable holes. An experience that will keep you coming back again and again.

Come share the experience…
